Morningside Ministries President and CEO Alvin Loewenberg has announced Suzanne Huber is the new executive director of Morningside Ministries' Chandler Estate.

"Suzanne has done such a great job at our Boerne community, and we are excited that she is now a part of our Chandler Estate team," Loewenberg said. "She has worked within a variety of senior care models, and brings a wealth of knowledge with her."

Listed on the National Register of Historic Places, The Chandler Estate is located north of downtown San Antonio in the Monte Vista District.

Its services and facilities include assisted living, nursing and rehabilitation, retirement living apartments and the Chandler Center, an adult community center.

Huber most recently served as the administrator of the Kendall House Wellness and Rehabilitation Center at Morningside Ministries at Menger Springs in Boerne.

Prior to that, she served as executive director of the Golden Manor Jewish Home for the Aged.

Before Golden Manor, Huber was an adjunct professor in sociology at St. Philip's College and served as an administrator for Social Work Services. She was a parole officer with the Texas Youth Commission and case manager with the Center for Health Care Services, as well as a social worker with the Bexar County Adult Detention.

As executive director, Huber will be responsible for directing and coordinating all functions at The Chandler Estate, including hiring and developing staff, recommending policies, plans and procedures to the president, ensuring sound financial position and managing the appropriate safety and care of all patients.
